AFCIN-1C

MEMORANDUM FOR DIRECTOR, CENTRAL INTELLIGENCE AGENCY  
ATTN. [REDACTED]

25X1A9a

SUBJECT: Augmentation of USAF TALENT Positions

1. The Assistant Chief of Staff, Intelligence has approved requirements for a limited augmentation of 19 TALENT positions for U.S. Air Forces in Europe (USAFE), and 8 TALENT positions for the Air Technical Intelligence Center (ATIC).

2. Of the 19 positions for USAFE, 13 are for photo interpreters (11) and intelligence specialists (2) in [REDACTED] and 6 are for the DCS/Intelligence, USAFE. The 6 for DCS/I, USAFE are essential for continuing operation as the Headquarters has been split into two elements -- a forward echelon at Ramstein, and a rear echelon at Wiesbaden. The staff intelligence function is split between these two locations and necessitates additional clearances at Ramstein as follows:

25X1A2g

- a. Chief, Estimates Gp, Air Intel Div.
- b. Chief, AOB Br, USSR Air Intel Dir.
- c. Chief, AOB Br, Satellites, Air Intel Dir.
- d. Chief, AOB Br, Western Air Intel Dir.
- e. Chief, Soviet/Satellite Missiles, Air Intel Dir.
- f. Analyst, Soviet Air/Ground Electronics, Air Intel Dir.

3. The TALENT positions requested for ATIC are occasioned by recent reorganizations. The positions are as follows and all are concerned directly with support of the program or with analytical and technical exploitation responsibilities:

- a. Chief of Staff, ATIC.
- b. Resident ATIC Project Officer, Lockheed.
- c. Resident ATIC Project Officer, AFPMO.
